

# The Story

Hiii.

HAPPY BIRTHDAY! ur 18 noowww.

i want to say that i really blessed to havin you hereee i hope you having a good day in your 18 birthday here!. so this is the first chapter, i want to make a compilation of our relationship from the first we met until now. i hope you enjoy this gift from me to you. :)

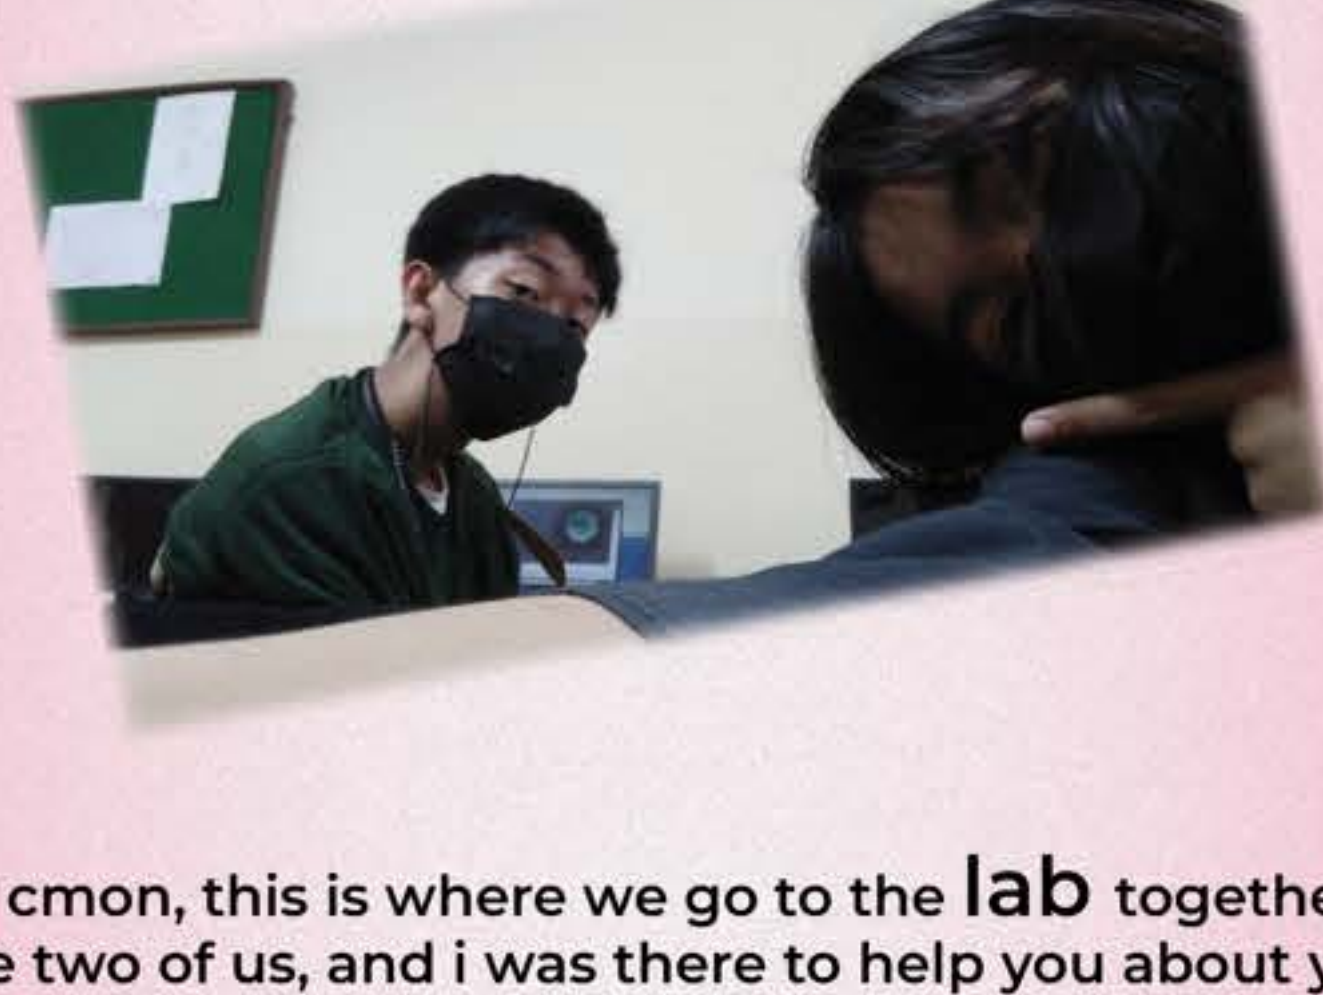

This is our

**first date**

This is where we go out together. I was so happy that day i can't lie, i might be the happiest person that ever live. i still remember that you wear the blazer cause you have your vaccine that day in jakarta with your father, i never thought that will happen cause i thought we just jokin around in discord and it happen!. i dont know a lot of place that day so we just go to the nearest place from our school LOL (im really sorry for that).

This is a **random photo** we took in our classroom, i really enjoy the time we talk together, and im so happy that i took that photo because i can see it how we look that time.

owh cmon, this is where we go to the **lab** together just the two of us, and i was there to help you about your poster competition, i remember that we listen to adele song that day and i try to put my head on your shoulder AHAHAHA. Im so happy that day.

this is where we really go out like to the far place from our school, i pick u up at your home and go to **lipppo**, i think this is where we go out and i ask you about my confession answer, i still love it because we having a good time that day

## Fast Forward >>

## Museum

its so funny how we go out together to the real far place from our place ahahhaa, like we literally just broke up with our each other ex, and were not together that day LOL, maybe its gonna feel akward but i really love it hahahaha, we goin to museum at jakarta together with train, and we go to gajah mada plaza and eat golden lamian there, we really tired but it was worth it!

## MUSIC STUDIO

We're going to the music studio together, like this is literally just the two of us inside of the studio and we just singing and playing some instrument, still remember how u really love "paramore-still in to you" song and we just playing it together. And after that u ask me to go somewhere else and we end up at lipppo, lookin for sum food and took this photo that day.
